

- Other notes:
- Claude to create archive page for admin view - this should show past events
 - the admin has archived in a table view and take off the main calendar.
 - Possible to add a Mobile/app view in the future?
 - How will events be shown that overlap on dates
 - can claude add an auto-fill events for admins from the - <https://uww.org/events> page - but only include the specifically mentioned ones in the 'new event drop down' menu
 -

- Calander Page:
- Search bar to only show events that are being searched for on the calendar
 - Claude to create table view
 - Claude to create dark/light mode (bottom left button)
 - Right click on calendar will act as 'new event drop down' for admin with the button saying 'start event from here'
 - Filter view will have same dropdown style as new event button but with the ability to filter by: event type, event priority
 - event priority shown at top left of event in colour code - roll over mouse should expand slightly and say what priority it is
 - notificaiton button should take admin straight to notification tab on event page

- New Event Drop Down:
- Event Types:
- Wrestling
 - Randoms
 - Grappling MMA Pankration

- Competition Types: (Wrestling):
- Continental Championships
 - World Championships
 - Ranking Series

- Add extra age range drop down when wrestling event is chosen
- u15
 - u17
 - u20
 - u23
 - senior
- All ranking series are senior, this should be added but uneditable

- Add extra location dropdown when continental is selected (wrestling and Grappling MMA Pankration):
- Euros
 - Pans
 - Asians
 - Oceania
 - Africans

- Competition Types: (Randoms):
- Youth Olympic Games
 - Asian Games

- Competition Types: (Grappling MMA Pankration):
- Continental Championships
 - World Championships

- Mini calendar drop down when selecting date
 - colour code the buttons to UWW event guidelines
-
- When a new event is created and appears on the calendar all of the info should be readable at first glance
 - Claude to come up with nice design to show this (placeholder at the moment)
 - Show icons of staff assigned to each event

- Admins can right click event and add staff
- staff members can right click and apply for event

Event Notes:

Posting Schedule:

- Post Types:
 - Photos
 - Design
 - Story
 - Video
 - Thumbnail
 - YouTube
 - UWW+
 - WEB

- Name:
- Editable Text
- Link:
- pastable dropbox link into this
- Athlete:
- Editable Text
- Caption:
- Editable Text

- Line above the content table should have day by day schedules for as many days as the evvent is running on the content calendar + pre-event and post-event

Staff & Roles:

- once a staff has requested to be part of the event the admin must have a button to confirm them

Flights:

- 2 week reminder to book, 1 week reminder to book, 1 day before reminder to book- these are to the booking deadline set by the admin when setting up an event.

Staff Page:

- Types:
 - Staff (possible to see and apply for all events)
 - Freelance (can only see events they are assigned to)
 - Right click should give option to remove staff
 - when staff member removed they will not be able to login using that email anymore
 - Ability to upload file from computer for staff icon - use name initials if no photo chosen
 - Multiple skillsets should be available to select and show in the main table
 - when a new staff is added, once email is inputted a popup should come up saying invite - this should send them an email with a link to a sign up page
-
- Skillset dropdown to include:
 - social video
 - documentary video
 - creative video
 - bts video
 - design
 - photography
 - creative photography
 - posting
 - social manager

Notification System:

- All notification should be clickable and will take you to the relevant page
- Notification will dissapear once actioned
- Red notification quantity icon will only decrease once actioned (not read)
- Ability to 'sort by' and 'filter' by event priority

- Define all notification types for staff and admin

- Admin notifications
- flight booking deadlines
 - missing event info deadlines
 - staff requests for events

- Staff notifications
- flight booking deadlines
 - approval/requests of events
 - file uploads to events booked for
 - roles updated
 - requested replied

- Icon Button Menu:
- this page is where a new staff email link should link to
 - mouse hover over should show 'change email', 'change password' or 'change icon'
 - the tutorial button should take you through all pages with popups explaining the system and how to use it
